REGISTER YOUR TEAM TODAY!

WHY ATTEND?

Since 2011, Excelapalooza has provided attendees with “best in class” Microsoft Excel based training and reporting analytics sessions. Excelapalooza is a unique opportunity to gather with fellow Excel users to build on and improve skills and productivity in Microsoft Excel.

LEARN EXCEL FROM THE BEST

Excelapalooza offers multiple certified Microsoft Excel MVPs to help train you and your team on VBA & Macros, data visualization, executive dashboards in Excel, and dynamic data sources. We have multiple sessions to provide phenomenal training for the Excel novice up to the self-proclaimed Excel guru.

ON-SITE WITH INSIGHTSOFTWARE

In addition to Excel training, attendees will have the opportunity to discover what insightsoftware can provide to help with their data and reporting processes. Multiple insightsoftware staff members will be available for on-site demos, training, and product spotlights aimed at helping you become more productive.

EARN CPE CREDITS

As an added bonus for some of our attendees, Excelapalooza provides the finance professional multiple credit hours for their CPE accreditation. Earn up to 18 hours at a single conference, all while having the time of your life at an Excel-based conference!
